## 2009 Annual Summit *Windfall for All* BOOTH REGISTRATION

Each year, the Summit brings together over 300 non-profit and labor leaders, community activists, agency staff, legislators, students, and policy practitioners from throughout the Bay Area looking for the tools, knowledge, inspiration, and connections needed to make change in their communities and beyond.

On Saturday, May 16th, TransForm will hold its 12th Annual Summit at Laney College in Oakland. This year, the Summit will focus on the critical role of transportation and land use in the health of our economy, pocketbooks, and planet – and highlight solutions that can help on all three fronts.

The Summit will feature Scott Bernstein as the keynote speaker in the morning, followed by about 14 different workshops for attendees to choose from throughout the day. The afternoon will wrap up with several options for attendees including: walking tours, networking, and discussion groups.

Throughout the day, attendees will gather in a common space to eat, network, and learn. ***Would your non-profit, agency, or company benefit from having a table at the Summit? If so, please fill out the form below and return it by April 21, 2009.***
